ABOUT WAYNE STATE

Innovative programs. Excellent career preparation. Personal attention. Active campus life. Scenic surroundings.

Founded in 1891 as Nebraska Normal College, Wayne State College, in Wayne, Neb. earned a distinguished reputation as a teachers' college from its early days. We're still a great teachers' college—but so much more!

Innovative Programs

Wayne State's four academic schools—Arts and Humanities, Business and Technology, Education and Counseling, and Natural and Social Sciences—offer a comprehensive selection of courses. You'll find over 150 majors and minors ranging from pre-professional studies to criminal justice to a nationally accredited undergraduate sports management program, and many others in 14 academic departments across campus.

The Rural Health Opportunities Program (RHOP) at Wayne State College provides pre-professional training in medicine, pharmacy and dentistry in cooperation with the University of Nebraska Medical Center. Students who successfully complete the program at WSC are automatically accepted into medical, pharmacy, or dental school at UNMC.

Upper-level education majors at Wayne State have the opportunity to participate in the Northeast Nebraska Teacher Academy (NENTA), the first of its kind in the nation, where WSC students receive classroom experience with participating K-12 schools in the region.

Through WSC WebCat On-line, students can register for class, check on grades and student accounts, from the convenience of their home or residence hall room.

Excellent Career Preparation

Whether students plan to be accountants or wildlife biologists, they receive the preparation they need at Wayne State College. In addition to classes taught by experts in their fields, Wayne State College provides internship and cooperative programs for students in a number of majors. Many regional businesses actively recruit Wayne State students for internships, with many of these internships resulting in full-time employment after graduation.

The WSC Career Services office assists students with career exploration, job preparation skills, interviews, as well as arranging internships and cooperative experiences.

Personal Attention

Students at Wayne State College don't get lost in the crowd. With an average class size of 21 and a student/faculty ratio of 19:1, WSC students get to know their professors and classmates. Eighty percent of Wayne State professors have the highest degree in their field—and most teach first-year as well as upper-level classes. You will find dedicated professors and instructors at Wayne State College where teaching is their life's work and their enthusiasm is contagious.

Wayne State College offers a variety of support services and programs to students. The heart of the WSC campus is the Student Center, where academic and personal support services are located. The Learning Center and Peer Tutoring Program are designed to help all students achieve the highest possible level of success in their studies.

Active Campus Life

With more than 90 clubs and organizations on campus, Wayne State College students have many opportunities to be involved in campus and community life.

Wayne State College has an active Greek life, with Greek Olympics being held at Homecoming each fall, as well as other social and service activities. The Student Activities Board (SAB) plans a variety of special programs each year, bringing musical groups such as Three Doors Down, Terri Clark, Vertical Horizon, Five for Fighting, Goo Goo Dolls, Sawyer Brown, Blackhawk, Firehouse, Jason Aldean and others to campus. Comedian Adam Sandler and other national performers have performed on campus.

The Multicultural Center, one of the newest campus programs, provides outreach and support to Wayne State College students and the region through special events during the year.

Wayne State College competes in NCAA Division II, and is a member of the Northern Sun Intercollegiate Conference. Competitive sports include football, volleyball, men's and women's basketball and track, cross country, men's baseball, women's softball, men's and women's golf, and women's soccer.

Scenic Surroundings

You'll feel right at home on Wayne State's beautiful, historic campus located in the northeast Nebraska community of Wayne. The campus combines stately, historic buildings with the newly renovated Student Center, Studio Arts Building and Connell Hall. Ramsey Theatre was recently renovated, with the completion in 2004. A new state-of-the-art indoor track was completed in the summer of 2001 in the WSC Recreation Center.

Wayne State College's seven residence halls provide students with a comfortable, affordable and convenient place to live with easy access to the entire campus community. Each hall has lounges and recreation areas, laundry facilities, mail service, academic tutors and study areas. Six of the seven halls are wired for access to the campus computer network from your personal computer. Smoke-free residence halls are also an option.

WAYNE STATE ADMINISTRATION

Dr. Richard Collings

President

Dr. Richard Collings is in his fifth year as the 11th president of Wayne State College. Prior to assuming the presidency of Wayne State, Collings was vice chancellor for academic affairs and professor of political science and public affairs at Western Carolina University in Cullowhee, North Carolina, a position he held from 1996-2004. At Western Carolina, he led many academic and administration initiatives, including creating a residential honors college, developing technology partnerships with other institutions throughout the nation

and implementing a strategic planning process.

From 1991-96, Collings was provost and vice president for academic affairs at Kutztown University of Pennsylvania, where he had served as dean of the College of Liberal Arts and Sciences from 1989-91. Previously, he was assistant provost and chairperson of the department of political science at Southeast Missouri State in Cape Girardeau, Mo.

A native of Louisville, Ky., Collings earned a Ph.D. in political science in 1977 and a master's degree in Latin American studies in 1972, both from Tulane University. He received a bachelor's degree in international studies from the University of Louisville in 1968.

President Collings and his wife, Marilyn, have three grown children: Michael, Kristen and Kelly. They also have four grandchildren, Ethan, Kai, Noah and Olivia.

Eric Schoh

Director of Athletics

Entering his fifth year as athletic director, Eric Schoh has injected enthusiasm and success into the Wildcat athletic department.

Wayne State College placed second in the 2007-08 Northern Sun Conference All-Sports Standings by winning two conference championships (baseball and men's outdoor track and field). 11 of the school's 15 sports finished in the top three of their respective sport in the NSIC. Three teams (volleyball, women's basketball and baseball) also qualified for

NCAA post-season competition.

"Everyone associated with Wildcat athletics should be proud of our accomplishments this past year," said Schoh. "The student-athletes, coaches, campus community and people of Wayne all had a hand in our success. It is a credit to the quality student-athletes we have at Wayne State when you are able to combine academic accomplishments with athletic success."

Prior to coming to Wayne State, Schoh was the associate athletic director for development at California State University in Bakersfield, Calif. from 2002-2004. From 1998-2002, Schoh was associate director of athletics at the University of South Dakota. He was the regional director of D.D. Marketing Inc. in Pueblo, Colorado from 1997-98 and was the assistant director of athletics at Montana State University in Billings, Montana from 1995-97.

Schoh earned his master's degree in education from Iowa State University. He earned his bachelor's degree in journalism and mass communications from Iowa State University as well.

Schoh is a native of LaCrescent, Minnesota. He and his wife, Stephanie, have three children: Paige, Eric and Tyler.

Mike Barry

*Associate Director of Athletics/
Facilities Director*

Mike Barry is in his ninth season as associate director of athletics and in his 11th year as the director of sports and recreational facilities. His duties include scheduling athletic contests and practices, home game management and serving as the athletic and recreational facilities' coordinator.

Barry was the Wayne State women's basketball head coach for seven seasons. He compiled a 97-92 record, which is third all-time on the school's career victory list. His best team was the 1993-94 squad which

posted a 22-5 record.

Barry came to Wayne State following two years as an assistant women's basketball coach at Pratt Community College in Kansas. He also coached at Chadron State, Eastern New Mexico University, and Fullerton and Stuart high schools in Nebraska.

Barry, a native of Grant, Neb., was a four-sport athlete at Chadron State. He was a three-time NAIA national qualifier in the triple jump, and also lettered in basketball, football, and cross country.

Barry earned his Bachelor's Degree in Physical Education from Chadron State in 1983 and earned his Master's Degree in Secondary Education in 1988. He and his wife, Jeannette, have two sons, Jordan, 16, and Jalen, 13. Barry also has a son Rick, who lives in Crawford, Nebraska.

Dr. Shawn Pearcy

Faculty Athletic Representative

Dr. Shawn Pearcy is in his fifth year as Faculty Athletic Representative at Wayne State College. Pearcy, an associate professor in the Life Sciences Department, is in his 10th year teaching at the school.

An Indiana native, he attended Purdue University and Indiana University, earning his bachelors degree from Indiana University in 1989. While an undergraduate, he participated in crew, ultimate and lacrosse.

Pearcy attended graduate school at Washington State University completing his doctorate in Zoophysiology in 1996. He enjoys teaching general biology, human physiology and vertebrae embryology at WSC. Pearcy is also a nationally-certified EMT and firefighter and serves on the Wayne Volunteer Fire and Rescue Department.

PETE CHAPMAN SOFTBALL COMPLEX

Located north of Memorial Stadium, the baseball and softball complex opened in the spring of 1996 and provides a picturesque setting for Wildcat baseball and softball games.

In the spring of 2006, the facility was named the Pete Chapman Baseball/Softball Complex in honor of the late Wayne State College athletic director/football coach and his contributions to the Wildcat athletic department. In the fall of 2006, a locker room/press box was constructed at the softball field, giving softball players their own locker room facilities. An updated scoreboard was also installed at the softball field for the 2007 season.

In the fall of 2007, a concrete pad and walkway was installed from the Recreation Center parking lot to the softball field. The concrete walkway replaced the previous hard rock path, making it easier for fans and the handicapped to watch Wildcat softball action. A large concrete pad was also poured between the softball and baseball fields and the area between the clubhouses had new sod installed, making the Pete Chapman Complex even more fan-friendly.

In the spring/summer of 2008, batting cages and an enclosed pitching cage/bullpen area were also constructed north of the softball clubhouse giving Wildcat softball players more tools to work on their skills.

New Weight Room

Recognizing the importance of first-class facilities for their student athletes, the Wayne State College athletic department has just completed a state-of-the-art renovation to its athletic facilities, including a new weight room constructed at Memorial Stadium.

All Wayne State student athletes, including softball players, have utilized the benefits of new weight room equipment in the 2008-09 school year and the project will enhance Wayne State's ability to attract high quality student athletes and provide current team members the resources necessary to compete at the NCAA Division II level.

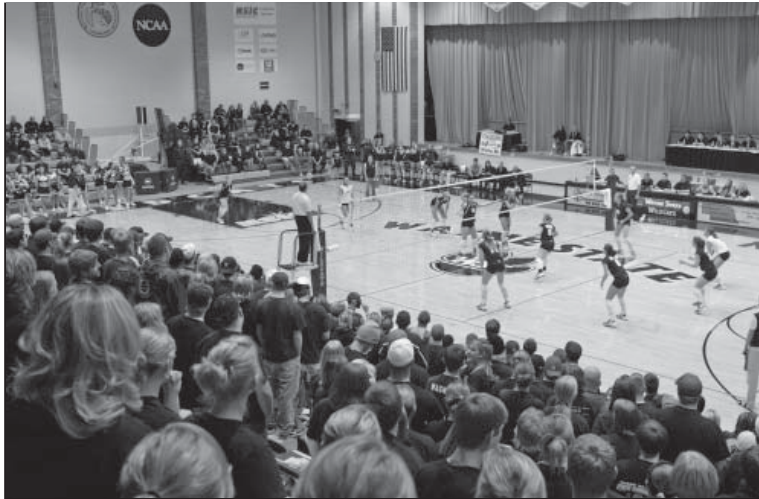

WAYNE STATE FACILITIES

Rice Auditorium

Rice Auditorium serves as the home for the Wildcat men's and women's basketball teams as well as the volleyball squad. Recent upgrades to the arena include: new balcony seats and a new stage curtain (summer 2007); a new playing surface in 2004; new scoreboards on the north and south walls (summer of 1998); new bleachers in the lower level and a coat of paint (summer of 1996); and a new sound system (spring of 1995). Its facilities include refurbished locker rooms, classrooms, a training room, and a state-of-the-art training facility.

The gymnasium area seats approximately 2,500 for basketball games and volleyball matches. Named for John D. Rice, Wayne State College's president from 1951-56, Rice Auditorium was the site of the 1999 NCAA Division II North Central Regional Men's Basketball Championships.

Strength Training Complex

The Strength Training Complex at Wayne State is one of the finest equipped facilities in the Nebraska State College system.

The 2,400-square foot facility is equipped with a variety of both free weight and variable resistance apparatus. Six Olympic benches, six incline benches, eight squat racks, three hip sleds, two hi-low lateral pull machines and a Pec Dec, along with a complete assortment of dumbbells help facilitate as many as 70 athletes without delay. An extensive remodeling project was responsible for improved lighting, a sound system, and flooring in the strength room. Recently, more renovations were made, including painting the walls, additional mirrors and raising the ceiling in one area for overhead lifting.

Recreation Center

The Wayne State College Recreation Center opened in 1987. It is the college's main facility for student recreation and selected activities.

The main area in the Recreation Center provides a six-lane running track that was resurfaced in 2001 and has three full-size courts for basketball, volleyball, tennis and badminton. Racquetball, weight training, aerobics, gymnastics, wrestling and sauna facilities are all available to WSC students, faculty and staff as well as residents of the Wayne community.

The Recreation Center also houses locker rooms for Wildcat athletic teams and offices for the WSC athletic department.

Carlson Natatorium

Carlson Natatorium adjoins the Recreation Center and Rice Auditorium. The 25-yard long pool is used for a variety of functions, including lap swimming, aquasize classes, senior wellness aquasize classes, Health and Human Performance and Sport classes, intramural activities and athletic training rehabilitation exercises. The natatorium is open in the summer for use by the athletic camps and Recreation Center members.

ATHLETIC TRAINING SERVICES

Muffin Morris
Head Athletic Trainer

Muffin Morris is in her first year at Wayne State College as the head athletic trainer. She will oversee athletic training responsibilities for 15 varsity sports at Wayne State College.

Before coming to Wayne State, Morris served four years at the University of South Dakota. She served as a graduate assistant athletic trainer and worked with football,

softball, swimming/diving, track/cross country and volleyball programs at USD.

The Chariton, Iowa native earned her bachelor's degree from Buena Vista University in athletic training in 2004. Morris then obtained her master's degree from the University of South Dakota in 2006 in health, physical education and recreation and recently earned her doctorate degree in adult/higher education from the University of South Dakota on July 31, 2008.

Morris served as the head trainer for the Wildcat football team this fall and resides in Wayne.

- Rose Rieger - Assistant Athletic Trainer**
- Mark Schoenfelder - Assistant Athletic Trainer**
- Kari Schoenfish - Graduate Assistant Athletic Trainer**
- Chris Stegemann - Graduate Assistant Athletic Trainer**
- Eric Urbanec - Graduate Assistant Athletic Trainer**

Athletic Training Room

The Athletic Training Room is the site of taping, treatment and injury evaluations. It has a variety of up to date, quality equipment. A partial inventory of modalities available for athletes include: three whirlpools, RichMar Theratouch 7.7 electrical stimulation machine, RichMar HV-II combination ultrasound/electrical stimulation machine, RichMar portable ultrasound machine, Game-ready intermittent compression machine, Therabath Parafin machine, and Hydro-collator heat pack units. The athletic training room also has three computers.

Dr. Steven Stokesbary
Team Orthopedist

Dr. Steven Stokesbary enters his seventh season as Wayne State's team orthopedist.

Dr. Stokesbary is a partner in The Center for Neurosciences, Orthopaedics, and Spine Sports Medicine, P.C. (CNOS) in Dakota Dunes, South Dakota. He graduated from the University of Iowa and earned his medical degree also from the University of Iowa College of Medicine, after which he completed his residency at the

University of Missouri Health Services.

Dr. Stokesbary has been practicing for CNOS Sports Medicine for over eight years, which provides athletic training services for over 40 area high schools, colleges and professional organizations.

PMC Wildcat Sports Medicine Center

The PMC Wildcat Sports Medicine Center, which opened December 1, 2005, is a 4,000 square foot state-of-the-art facility. The center is located next to the Wayne State College Recreation Center and serves as the hub for therapy and athletic training services.

In August 2007, Providence Physical Therapy and Wayne State College collaborated to provide therapy services at the PMC Wildcat Sports Medicine Center. This partnership provides the finest in sports rehabilitation, therapy services and athletic training services to Wayne State student-athletes, the campus community and the general public.

Providence Physical Therapy offers physical, occupational and speech therapy services and is staffed by six physical therapists, two physical therapy assistants, two occupational therapists and one speech therapist. Providence Physical Therapy staff also provides aquatic therapy at the Carlson Natatorium.

Dedicated to excellence and quality care, the PMC Wildcat Sports Medicine Center athletic training staff and Providence Physical Therapy staff is committed to the health and wellness of WSC students, faculty and the Wayne community.

WILDCAT SOFTBALL COACHING STAFF

Krista Unger
Head Coach

Krista Unger enters her third season as the head softball coach at Wayne State College. In her first two seasons, Unger has turned the Wildcat program into a winner after inheriting a program that was 10-34 in 2006. She has a career record of 58-45 overall and 21-15 in the Northern Sun Intercollegiate Conference after posting a 30-23 record in 2008 and a third place finish in the NSIC at 12-6. With a 28-22 record in 2007, WSC has recorded back-to-back winning seasons in softball for the first time since 1989-90.

The Wildcats set five new school records as a team in 2008, eclipsing previous school records in at bats (1,462), hits (431), doubles (73), home runs (40) and fielding percentage (.967). The 30 wins in 2008 were the most by a Wildcat softball team since 1990 when WSC posted a school-record 34 wins (34-22). The Wildcats were also ranked in the NCAA Division II North Central Regional Rankings for the second straight season.

In 2007, the Wildcats recorded a 28-22 record in Unger's first season, an 18-game improvement from the previous season. It was the first winning season for WSC softball since 2001 and just the second winning record since 1992. The Wildcats had a seven-game win streak for the first time since the 1992 season and were regionally ranked for the first time since joining NCAA Division II. WSC also hit a then-new school record 29 home runs in 2007, more than doubling the previous school mark of 13. The Wildcats finished seventh in the NSIC with a 9-9 league mark.

Unger comes to Wayne State after serving two seasons as an assistant coach at St. Cloud State University in Minnesota. She helped SCSU to records of 34-25 in 2005 and 33-24 in 2006 as the Huskies finished second and third respectively in the North Central Conference during Unger's stay.

A native of Missouri Valley, Iowa, Unger was a standout player at the University of Nebraska-Omaha from 1999-2003. She helped the Mavericks to the NCAA Division II national championship in 2001 as a sophomore and finished her career as the all-time winningest pitcher in Maverick softball history with 106 wins and 530 career strikeouts. In the 2001 national championship game, Unger tossed a two-hit shutout with five strikeouts in a 4-0 win over Lewis University. She also ranks second in career shutouts with 43. Unger earned numerous honors as a player at UNO, earning First Team All-NCC honors three times while also collecting three All-NCC Academic Team awards. She was named to the NFCA All-Region First Team in 2002 and was a Second Team All-Region selection in 2001. Unger was also selected the North Central Conference Freshman of the Year in 2000.

Unger also has coaching experience at the high school level, serving as the JV-Varsity pitching coach at Omaha Gross High School in the fall of 2003 and at state-qualifying Omaha Westside High School in 2004.

Unger earned her bachelor's degree of science in physical education K-12 with an endorsement in coaching from the University of Nebraska-Omaha in 2004 and received her master's degree in sport management in May, 2006 from St. Cloud State University in Minnesota.

Ben Banks
Student Assistant

Stephanie Kuhl
Graduate Assistant Coach

Stephanie Kuhl is in her second season as a graduate assistant softball coach for the Wildcats and will serve as the team's hitting coach.

Kuhl is a graduate of Division I South Dakota State University where she had a stellar playing career for the Jackrabbits, finishing as the school's all-time leader in home runs and runs batted in. She also holds the single season school marks for home runs and RBI's. In high school, Stephanie Kuhl was a three time All-State selection and a four-time All-Conference honoree in softball at Logan-Magnolia in Iowa. She also played five years of club softball for the Omaha Quakes and earned All-Conference recognition in volleyball and basketball and qualified for the Iowa State High School Track and Field Meet in the discus as a junior.

Stephanie is pursuing her master's degree at Wayne State College in sport management and resides in Wayne.

2009 SOFTBALL SEASON PREVIEW

The 2009 Wayne State College softball team returns nine players and five All-Northern Sun Conference performers from last season's club that posted a 30-23 overall record while finishing third in the NSIC with a 12-6 league mark. The 2008 Wildcat squad logged some impressive numbers last season, setting six new school records that included most home runs (40), hits (431), doubles (73) and best fielding percentage (.967). This season, the Wildcats would like to add to that list and shoot for the school's first-ever NCAA post-season appearance while contending for a Northern Sun Conference title.

Head coach Krista Unger has compiled a 58-45 overall record and a 21-15 mark in her first two seasons with the Wildcats, giving WSC back-to-back winning seasons in softball for the first time since 1989 and '90. The 2009 Wildcat squad remains young with just one senior, one junior, seven sophomores and five freshmen to make up the 14-player roster.

"I have high expectations of this team for the 2009 season," remarked Unger. "I am pleased with the improvements I have seen from all of the girls throughout the off-season. They have worked hard everyday lifting, conditioning, hitting and pitching and I expect to see that carry over to the playing field this spring."

The lone senior on this year's team is Kiley Peterson of Utica (Centennial HS). Last season, Peterson split time as a utility player and pitcher, posting a 5-4 record in 19 appearances with three saves and a 1.81 ERA in 62 innings pitched. She also started 10 games in left field last season and will see time this year in left and right field for the Wildcats.

Jennifer Radley

Starting center fielder Amy Sandstrom is the club's only junior and is coming off a stellar 2008 campaign where the

Millard North graduate earned First Team All-NSIC honors while setting four new individual school records. Sandstrom hit a team-high .384 last season with four homers and 25 RBI's. She set new school records for at bats (177), hits (68), runs scored (43) and doubles (16) and anchored a Wildcat defense that set a new school record with a .967 fielding percentage.

The sophomore class is a talented group of players led by returning All-Region and All-Northern Sun Conference first baseman Jennifer Radley. The Des Moines (Iowa) East graduate set a new single season school record last season with 11 homers to go with 39 RBI's and a .356 batting average while starting all 53 games to earn NSIC Rookie of the Year honors last season for the Wildcats.

Leading the Wildcats on the mound will be sophomore pitcher Katie Goetzing. The Harlan, Iowa native earned First Team All-NSIC honors last season with a 23-14 record and a 2.52 ERA, striking out 142 batters in 236.1 innings pitched. Goetzing set new school records for wins in a season (23), appearances (46) and innings pitched (236.1) while notching five shutouts, the second-most in a single season by a Wildcat pitcher.

Catcher Sam Earleywine is the other returning All-NSIC performer for the Wildcats in the sophomore class. The Sergeant Bluff-Luton (Iowa) graduate hit .354 last season, ranking second on the club in hits with 62 from the leadoff position. Second baseman Blaire Kuhl collected honorable mention All-NSIC honors last season for the Wildcats after belting 10 homers with 39 RBI's to go with a .305 batting average. The 10 homers are the second most by a Wildcat player in a single season as Kuhl ranked second on the team in runs scored with 33.

Sophomore Amber Baird saw action in 50 games last season as a relief pitcher and spot starter along with designated player duties. She hit .220 with six doubles and posted a 2-5 record pitching in 18 appearances with 10 starts, one

Amy Sandstrom

complete game and a 3.46 ERA. Hannah Engelkamp, a sophomore from Omaha Skutt, started 39 games in left field last season for the Wildcats, hitting .268 with three homers and 16 RBI's and is projected to play left field again this season for WSC. Rounding out the sophomore class is shortstop Sarah Gottschalk of Colon, Nebraska (Wahoo HS), who played the flex position last season while starting 50 games at shortstop. Gottschalk led the Wildcats on defense with 99 assists and had 56 putouts while recording just seven at bats with one hit and one run scored.

The freshman class of five is a talented group of players who will be asked to contribute immediately while adding depth to the Wildcat squad this season. Gabby Ayala of Grand Island will see time at catcher and the outfield after helping Grand Island High to the Class A State Tournament as a senior. Brittany Greenwood of Logan, Iowa (Logan-Magnolia HS) is projected for playing time at third base and shortstop after collecting All-State honors in high school as a junior and senior. Liz Hullinger of Elkhorn High School hit .536 and earned First Team All-State honors as a senior helping the Antlers win the Class B State Title. She is expected to earn playing time at catcher and third base for the Wildcats this season.

Alyssa Kirsch of Papillion-LaVista South High School will see playing time at first base and right field for the Wildcats this season after earning Second Team All-Nebraska honors in high school with a .366 batting average, helping her team to a 36-3 record and the Class A State Tournament. Brooke Vollmer of Smithton, Illinois (Freeburg HS) was a three-sport star in high school and will compete for playing time in the outfield and pitcher for the Wildcats this spring.

Wayne State is scheduled to open the 2009 season February 20-22 in Colorado Springs, Colorado at the NSIC/RMAC Crossover Tournament. The Wildcats will then play 10 games in Clermont, Florida at the 2009 National Training Center Spring Games March 9-13. Wayne State is scheduled to play 10 home doubleheaders this season with the first coming on March 17th against Northwest Missouri State at the Pete Chapman Softball Complex.

About the Northern Sun Intercollegiate Conference

Founded in 1932, the Northern Intercollegiate Conference (NIC) has enjoyed a varied existence in the upper Midwest region it calls home. In the spring of 1992 the Northern Sun Intercollegiate Conference (NSIC) was formed out of the merger of the NIC, the men's conference, and the women's Northern Sun Conference (NSC). The NSC had existed since 1979. The NSIC is currently made up of institutions from Iowa, Minnesota, Nebraska, North Dakota and South Dakota. In the 2008-09 academic year, the NSIC expanded to a 14-team league with the addition of Augustana College, University of Minnesota Duluth, Minnesota State University, Mankato and St. Cloud State University.

Since 1932, various institutions have competed in the NSIC. Bemidji State University, Minnesota State University Moorhead and Winona State University are charter members and have remained in the conference for the 76 years of its existence. Minnesota State University, Mankato and St. Cloud State were also charter members, but left the league in 1981 (MSU left the league in 1969 and returned in 1977). The University of Minnesota Duluth, which departed the league in 2005-06 through 2007-08 seasons, was also an original member. Other current members joined in later years: Southwest Minnesota State University in 1969, Northern State University in 1978, Wayne State College (Nebraska) in 1998, Concordia University, St. Paul and the University of Minnesota, Crookston in 1999, the University of Mary and Upper Iowa University in 2006 and Augustana College in 2008. The University of Minnesota, Morris became a league member in 1966, however, the Cougars opted for the NCAA Division III ranks in 2003. Michigan Tech was part of the NIC from 1969 to 1977 as well.

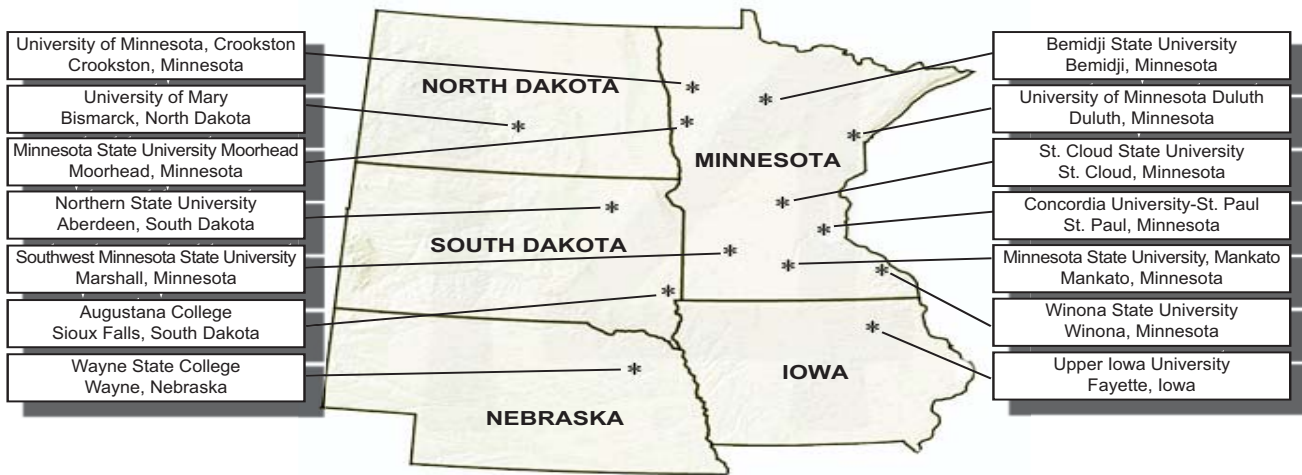

Before the NSIC became eligible for National Collegiate Athletic Association (NCAA) championship competition in 1995, its member institutions had an extremely rich tradition in the National Association of Intercollegiate Athletics (NAIA). The NIC's and NSC's tenure in the NAIA included several national championship teams and individuals as well as many national qualifiers.

The NSIC has gained national recognition in recent years as three teams have won National Championships. Winona State men's basketball made three straight trips to the NCAA Division II National Championship game, winning the 2006 and 2008 games and losing the 2007 game on a last second shot. During that period, the Warriors won an NCAA record 57 consecutive games. Concordia University, St. Paul garnered the first women's title in 2007 as its volleyball team won the National Championship.

Following the 2004-05 season, Winona State became the first team other than Minnesota Duluth to capture the NSIC All-Sports Competition trophy. The Warriors have taken home the trophy now the last two seasons. Winona State put the NSIC on the national map in 2006 as they hosted and won the NCAA North Central Regional Tournament and went on to capture the Division II National Championship.

Since 2000, the NSIC has participated in one of two officially-sanctioned NCAA Division II football bowl games in the country. Dating back to 1948, the Mineral Water Bowl is hosted by the Quarterback Club of Excelsior Springs, Missouri. The game matches the highest-finishing team from the NSIC not selected for the NCAA Division II playoffs against the highest-finishing team from the Mid-America Intercollegiate Athletics Association (MIAA) not participating in the NCAA Division II playoffs. The first NSIC/MIAA meeting in 2000 marked the Mineral Water Bowl's inaugural year of the Division II era. Wayne State represented the NSIC in the 2007 Mineral Water Bowl game and dropped a hard-fought 20-13 contest to Missouri Western.

Over the years the NSIC, comprised of schools of modest size, has provided extremely competitive intercollegiate athletic programs for its members. Although the programs are not designed to be equal to Division I athletics, many former NSIC athletes have distinguished themselves in national and international competition. Each member school emphasizes the educational, entertainment and unifying value of sports while pointing with pride to the many advantages to be gained by attending these colleges and universities. As some affiliated with the conference have coined, the NSIC quite possibly is, "the most competitive conference in NCAA Division II."
