# ABOUT WAYNE STATE COLLEGE

Innovative programs. Excellent career preparation. Personal attention. Active campus life. Scenic surroundings. Founded in 1891 as Nebraska Normal College, Wayne State College earned a distinguished reputation as a teachers' college from its early days. We're still a great teachers' college—but so much more!

## **Innovative Programs**

Wayne State's four academic schools—Arts and Humanities, Business and Technology, Education and Counseling, and Natural and Social Sciences—offer a comprehensive selection of courses. You'll find 80 majors and minors ranging from pre-professional studies to criminal justice to a nationally accredited undergraduate sports management program, and many others in 14 academic departments across campus.

The Rural Health Opportunities Program (RHOP) at Wayne State College provides pre-professional training in medicine, pharmacy and dentistry in cooperation with the University of Nebraska Medical Center. Students who successfully complete the program at WSC are automatically accepted into medical, pharmacy, or dental school at UNMC.

Thinking of teaching? Upper-level education majors at Wayne State have the opportunity to participate in the Northeast Nebraska Teacher Academy (NENTA), the first of its kind in the nation, where WSC students receive classroom experience with participating K-12 schools in the region.

Through WSC WebCat On-line, students can register for class, check on grades and student accounts, from the convenience of their home or residence hall room.

## **Excellent Career Preparation**

Whether you plan to be an accountant or a wildlife biologist, you'll receive the preparation you need at Wayne State College. In addition to classes taught by experts in their fields, Wayne State College provides internship and cooperative programs for students in a number of majors. Many regional businesses actively recruit Wayne State students for internships, with many of these internships resulting in full-time employment after graduation.

The WSC Career Services office assists students with career exploration, job preparation skills, interviews, as well as arranging internships and cooperative experiences.

## **Personal Attention**

Students at Wayne State College don't get lost in the crowd. With an average class size of 21 and a student/faculty ratio of 19:1, WSC students get to know their professors and classmates. Eighty percent of Wayne State professors have the highest degree in their field—and most teach first-year as well as upper-level classes. You will find dedicated professors and instructors at Wayne State College: teaching is their life's work, and their enthusiasm is contagious.

Wayne State College offers a variety of support services and programs to students. The heart of the WSC campus is the Student Center, where academic and personal support services are located. The Learning Center and Peer Tutoring Program are designed to help all students achieve the highest possible level of success in their studies.

## **Active Campus Life**

With more than 85 clubs and organizations on campus, Wayne State College students have many opportunities to be involved in campus and community life.

Wayne State College has an active Greek life, with Greek Olympics being held at Homecoming each fall, as well as other social and service activities. The Student Activities Board (SAB) plans a variety of special programs each year, bringing musical groups such as Vertical Horizon, Five for Fighting, Goo Goo Dolls, Sawyer Brown, Blackhawk, Firehouse, and others to campus. Comedian Adam Sandler and other national performers have performed on campus.

The Multicultural Center, one of the newest campus programs, provides outreach and support to Wayne State College students and the region through special events during the year.

ing and Connell Hall. A new state-of-the-art indoor track was completed in the summer of 2001 in the WSC Recreation Center and the outdoor track was renovated with a new surface in the summer and fall of 2003.

Wayne State College's seven residence halls provide students with a comfortable, affordable and convenient place to live with easy access to the entire campus community. # 2008 WILDCAT SEASON OUTLOOK

The 2008 Wayne State College women's soccer team hopes to avoid the injuries and illnesses that played a key role in a 1-15-3 record last season. The Wildcats were winless in Northern Sun Conference play going 0-9. Third-year head coach Brooke Bredenberg's 2008 team is young with no seniors, four juniors, seven sophomores and five freshmen.

**Junior defender Christina King**

The Wildcats were a solid defensive team last season posting four shutouts, but offensively struggled and had just 11 goals all season while being shutout in 12 of their 19 contests.

Only two players return with goal scoring experience for a Wildcat squad that does not have a senior on the 2008 roster. Lost to graduation is last year's leading scorer, forward Gena Romano, who recorded five goals and 10 points. Another senior, Marci Douglas, had one goal and one assist for three points.

"Our team is smaller this year but we have more talent," remarked Bredenberg. "We need to stay healthy but I think these girls will surprise a lot of teams this year."

Co-captains Christina King and Valerie Robinson, a pair of juniors, headline a group of top returners for the Wildcats. King (Millard West HS) earned NSIC All-Conference honorable mention honors at defender last season and will anchor the 'Cats on defense again this season. Robinson (Council Bluffs Thomas Jefferson HS) is a two-year starter for the Wildcats at the midfield position. The other juniors on this year's team are goalkeeper Rachel Fuchs, who was 1-6-0 last season with one shutout and a 3.53 goals against average

while junior midfielder Megan Kenealy brings experience back at midfield and had two assists last season.

The sophomore class of seven players features goalkeeper Emily Walker (Beatrice HS), who posted a strong 2.18 goals against average despite a 0-9-3 record. Tiffani Kellerman and Erin Fullmer are the only returning players to have scored goals from last season with one each. Other sophomore returners expected to play bigger roles on the team this season include forward Stephanie Bright (Columbus HS) and defenders Kayleen Loveless and Anna Walker.

Five newcomers will also be asked to make contributions to the Wildcats this season, including forwards Willow Nyman-Jones and Samantha Mueting from Lincoln Southwest HS, defender Megan Windhorst of Elkhorn HS and midfielder Michaela Duffy of Columbus Scotus HS. Another freshman, Ashleigh Bobbitt of Lee Summit, Missouri, will redshirt this season due to a knee injury.

The Wildcats face another tough schedule in 2008 with the expanded Northern Sun Conference now at 14 teams with the addition of Augustana, Minnesota Duluth, Minnesota State and St. Cloud State.

"The new teams coming into our conference will be very strong," said Bredenberg. "Minnesota Duluth and Minnesota State will be in the top of our conference and Winona State should be good again this season."

**Sophomore forward Tiffani Kellerman**

Wayne State opens the 2008 season at home on Thursday, August 28 against Adams State of Colorado starting at 4:00 p.m. The Wildcats open Northern Sun Conference play at Concordia University, St. Paul on September 20th.

# THE NORTHERN SUN INTERCOLLEGIATE CONFERENCE

Founded in 1932, the Northern Intercollegiate Conference (NIC) has enjoyed a varied existence in the upper Midwest region it calls home. In the spring of 1992 the Northern Sun Intercollegiate Conference (NSIC) was formed out of the merger of the NIC, the men's conference, and the women's Northern Sun Conference (NSC). The NSC had existed since 1979. The NSIC is currently made up of institutions from Iowa, Minnesota, Nebraska, North Dakota and South Dakota. In the 2008-09 academic year, the NSIC expanded to a 14-team league with the addition of Augustana College, University of Minnesota Duluth, Minnesota State University, Mankato and St. Cloud State University.

Since 1932, various institutions have competed in the NSIC. Bemidji State University, Minnesota State University Moorhead and Winona State University are charter members and have remained in the conference for the 76 years of its existence. Minnesota State University, Mankato and St. Cloud State were also charter members, but left the league in 1981 (MSU left the league in 1969 and returned in 1977). The University of Minnesota Duluth, which departed the league in 2005-06 through 2007-08 seasons, was also an original member. Other current members joined in later years: Southwest Minnesota State University in 1969, Northern State University in 1978, Wayne State College (Nebraska) in 1998, Concordia University, St. Paul and the University of Minnesota, Crookston in 1999, the University of Mary and Upper Iowa University in 2006 and Augustana College in 2008. The University of Minnesota, Morris became a league member in 1966, however, the Cougars opted for the NCAA Division III ranks in 2003. Michigan Tech was part of the NIC from 1969 to 1977 as well.

Before the NSIC became eligible for National Collegiate Athletic Association (NCAA) championship competition in 1995, its member institutions had an extremely rich tradition in the National Association of Intercollegiate Athletics (NAIA). The NIC's and NSC's tenure in the NAIA included several national championship teams and individuals as well as many national qualifiers.

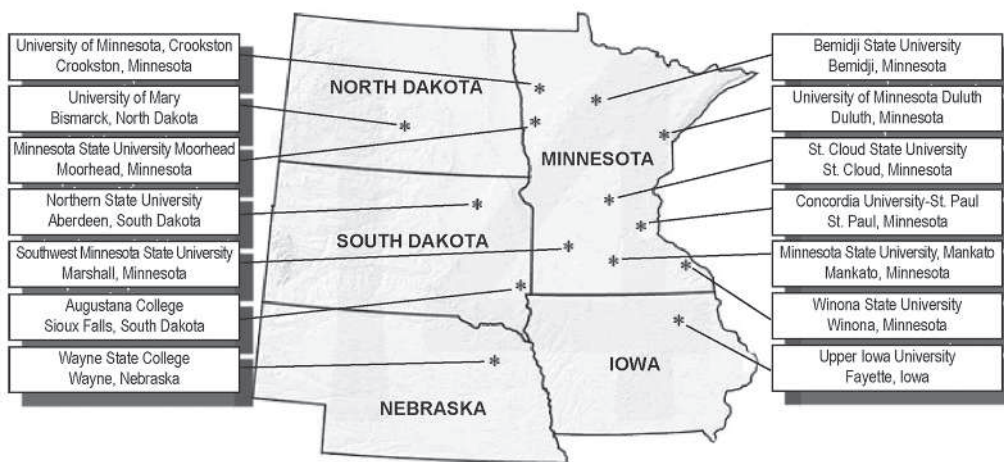

The NSIC has gained national recognition in recent years as three teams have won National Championships. Winona State

men's basketball made three straight trips to the NCAA Division II National Championship game, winning the 2006 and 2008 games and losing the 2007 game on a last second shot. During that period, the Warriors won an NCAA record 57 consecutive games. Concordia University, St. Paul garnered the first women's title in 2007 as its volleyball team won the National Championship.

Following the 2004-05 season, Winona State became the first team other than Minnesota Duluth to capture the NSIC All-Sports Competition trophy. The Warriors have taken home the trophy now the last two seasons. Winona State put the NSIC on the national map in 2006 as they hosted and won the NCAA North Central Regional Tournament and went on to capture the Division II National Championship.

Since 2000, the NSIC has participated in one of two officially-sanctioned NCAA Division II football bowl games in the country. Dating back to 1948, the Mineral Water Bowl is hosted by the Quarterback Club of Excelsior Springs, Missouri. The game matches the highest-finishing team from the NSIC not selected for the NCAA Division II playoffs against the highest-finishing team from the Mid-America Intercollegiate Athletics Association (MIAA) not participating in the NCAA Division II playoffs. The first NSIC/MIAA meeting in 2000 marked the Mineral Water Bowl's inaugural year of the Division II era. Wayne State represented the NSIC in the 2007 Mineral Water Bowl game and dropped a hard-fought 20-13 contest to Missouri Western.

Over the years the NSIC, comprised of schools of modest size, has provided extremely competitive intercollegiate athletic programs for its members. Although the programs are not designed to be equal to Division I athletics, many former NSIC athletes have distinguished themselves in national and international competition. Each member school emphasizes the educational, entertainment and unifying value of sports while pointing with pride to the many advantages to be gained by attending these colleges and universities. As some affiliated with the conference have coined, the NSIC quite possibly is, "the most competitive conference in NCAA Division II."
